Mr Gus Greenlee
1323 Wylie Ave.
Pittsburg Pa.

Dear Gus:

I have just finished reading the story in this weeks Courier captioned "National League Prexy won't talk". Next to the last statement in it says "Greenlee said this week that Newark never received a sanction from him to take Paige".

I am sure this is a case of the writer being misinformed, as you and I both know this is not true.

I will appreciate it if you will send The Courier the true story, that the transaction between The Eagles and you was a legitimate, bonafide one, which your telegram to me of April 20th 1938 will confirm.

I know you will take care of this right away, so as to clear The Eagles of any stigma of falsifying about the transaction.

I sincerely hope you are enjoying good health, and hope to see you soon.

Very Truly Yours
